If this is something you're challenged with too, let's set up a quick call.

Hi, are you the owner of {{Lead.Name}} Fanpage?,

I will have to be honest and tell you that the design looks like it's from another time and space. For one of our recent client, we were able to redesign his old logo into a fresh out of the box 2018 look logo in under two weeks.

If you are interested in redesigning your logo, please let me know and we would be more than happy to help you out.

Thank you, and I look forward to hearing from you.
